Training programme organised

PNS ■ VARANASI

Under the guidance of Principal Chief Medical Officer (PCMO) Dr Devesh Kumar, on Monday in BLW Hospital under Digital India Scheme for treatment through pan India HMIS a training programme was organised for all its medical officers and paramedical staff concerned

under which training was started for proper operation of various modules for running of new software and treatment such as registration, OPD, IPD, pharmacy, billing OT etc. Due to it better medical service will be provided to the beneficiaries of BLW. At BLW Central Hospital for implementation of various modules of pan India HMIS's new software training has been organised for one week from Monday. After the training the work on the new software will be started soon. All railway personnel and their dependents will be provided medical facility through new HMIS by Indian Railways under Digital India under the uniform digital system

across India. By it the record of the patients will be available on the electronic system which can be viewed by any hospital of the railways. On HMIS app through mobile apps all the records will be available to the patients in a paperless manner. In this direction almost all the employees and their

dependents have been given UMID card by BLW and all the related hardware and software have been arranged in the hospital. After undergoing training all employees will be technically competent to provide this facility. In this training programme besides PCMD Dr Devesh Kumar, other medical officers Dr Sunil Kumar, Dr PR Thakur, Dr SK Sharma, Dr Madhulika Singh, Dr SK Maurya, Geeta Kumari Chaudhary, a large number of nursing, pharmacy and lab staff participated. Member, staff council, Naveen Sinha and Vinod Singh, by getting UMID cards made despatched to all railway personnel for availing the facility digitally.
