Sub: Inter Railway/Inter Division one way transfer of Technicians.

\*\*\*\*\*

Very recent, it has been observed that after absorption of Technicians(all trades) through different sources of DRQ in Kanchrapara Workshop, there left no vacancies in Technician Gr.III against 25% DRQ as such this workshop is not in a position to accommodate Technician Gr.III on Inter Railway/Inter Division own request transfer basis any more.

In view of the above, head of all Division/Workshop and Production Units are requested not to forward such applications any more till further information received from this end.

It is also informed that applications received at this workshop during preceding months on the above subject matter have not been considered on the same ground.

This has been issued with approval of CWM/KPA.
